Creating an elegant and welcoming ambience for your special occasion.

FESTIVE CELEBRATIONS

Choosing the right ambience for a big celebration can be challenging. Ever wished you could have big town quality with small town charm?

Quarteto Musica Bella can do it for you. We are professional musicians who love to play great music—from classical to classic rock. We have quartet repertoire representing different musical styles such as Latin Tangos, show tunes by Andrew Lloyd-Webber, Vivaldi's "Winter," pieces by Bach, Beethoven and other classical greats. Heaven forbid we have several classic rock-and-roll tunes that allow us to let our hair loose!

Visit our website at www.greatplaynsmusic.com to hear a few sample audio recordings. Click on the "Professional Performances" link. Then call us today in order to make sure your event stands out from the rest.

Quarteto Musica Bella provides music for weddings and other special occasions.
